

HUMAN RIGHTS IN TIMES OF WAR

We invite you to take part in our youth exchange with refugees from Belarus and participants who live in Germany who are interested in human rights, asylum, democracy, anti-militarism and German-Belarusian networking. We will spend a week together in Berlin, exchange ideas, organise an action and talk to members of the Bundestag, where together we will appeal for the right to asylum for conscientious objectors.

When und Where

The first meeting will take place on 1 August 2023. If you are interested, send us an email at vernetzungpartizipation@riseup.net. We will let you know where it will take place. Here you can also learn how you can help to organise the youth exchange. The youth exchange will take place on 4-11 October 2023 in Berlin.

About us

Vereinigung Vernetzung Partizipation e.V. is a group of young people who are committed to political education and international cooperation. Currently we are working on this youth exchange, but otherwise we organise workshops and discussions. Our partner organisation Nash Dom (Our House) campaigns for the rights of conscientious objectors with the campaign "Stop the 2nd Front", with the goal that the Belarusian military no soldiers has for a second front against Ukraine.
